

RV Service Technician Training and Certification Preparation Online Courses

COURSE ENROLLMENT FORM

Developed by RVIA and offered exclusively by the Mike Molino RV Learning Center, the two certification preparation courses help prepare working RV technicians for the Registered Technician and Certified Technician certification tests. Five continuing education courses provide technicians continuing education units (CEUs) upon completion. All content is provided online. Graphics, charts, and instructional videos address the specific needs of various learning styles. All courses include a final comprehensive practice test. The fee offers the technician access to the course for one year. There is a separate fee and application for certification testing.

1. Certification Preparation Courses

REGISTERED TECHNICIAN PREP COURSE addresses these core knowledge areas:
